

Night work: The Children's Hospital at Westmead Stage 2 Redevelopment

6 July 2023

Night work is scheduled for The Children's Hospital at Westmead redevelopment on Hawkesbury Road, Westmead from Monday 10 July 2023 to Wednesday 12 July 2023, weather permitting.

This work includes water utility installation for the new Paediatric Services Building.

We will be working from between 8pm to 5am. Please see map on overleaf.

There will be some noisy works and temporary traffic changes however access will be maintained at all times. The project will attempt to minimise any disruptions. For your safety, please follow site signage and staff direction.

We thank you for your patience while this project is underway.

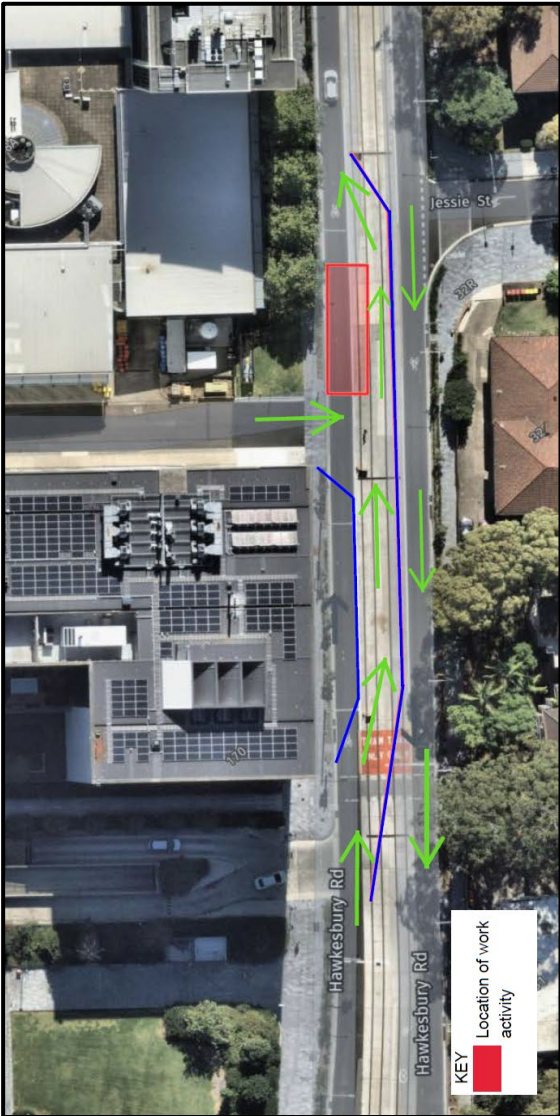

The NSW Government is delivering The Children's Hospital at Westmead Stage 2 Redevelopment, which includes the Paediatric Services Building, a new multi-storey car park, a revitalised forecourt and refurbishment of some existing areas..
